Luzena Stanley Wilson 49er: Her Memoirs as Taken Down by Her Daughter in 1881

By Correnah Wilson Wright

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is an account about the Gold Rush written by a woman who survived it. One of the most important and memorable events of the United States westward push across the frontier came with the discovery of gold in the lands that became California in January 1848. Located thousands of miles away from the country s power centers on the east coast at the time, the announcement came a month before the Mexican-American War had ended, and among the very few Americans that were near the region at the time, many of them were Army soldiers who were participating in the war and garrisoned there. San Francisco was still best known for being a Spanish military and missionary outpost during the colonial era, and only a few hundred called it home. Mexico s independence, and its possession of those lands, had come only a generation earlier. Everything changed almost literally overnight. While the Mexican-American War technically concluded with a treaty in February 1948, the announcement brought an influx of an estimated 90,000 Forty-Niners to the region in 1849,...
