SWORD MASTER DWARF

[DOWNLOAD](#)

Createspace, United States, 2013. Paperback. Book Condition: New. Matt Forsyth (illustrator). 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Sword Master Dwarf is a illustrated fantasy adventure story for ages 8 years and over. It combines the best traditions of heroic fantasy and old kung fu movies, weaving a tale full of action and humour. Grubble is the mightiest of the dwarves. A minor event sets him off on an epic quest where he meets a dragon and flies to the Wind Kings Castle. Here he faces the fearsome Four Swords Tornado and realises he must become a sword master to defeat him. The story draws many parallels to the tests a child faces when taking up a new sport or activity and teaches them that you need to be bad at something before you can be good at it and that there are lessons to be learnt in defeat. Parents Note: Although Sword Master Dwarf is filled with swash bucking action there is no violence in it. The duels end in some one being driven off or disarmed.
