BRAND NEW, Character Building Day by Day: 180 Quick Read-Alouds for Elementary School and Home, Anne D Mather, Louise B Weldon, Eric Braun, In elementary schools across the country, teachers are expected to provide at least five minutes of character education each day. This book makes it easy to meet that requirement in a meaningful way. It includes 180 character vignettes--five for each of the 36 weeks in the school year--grouped by trait. Each features kids in real-life situations making decisions that reflect their character. Each is short enough to be read aloud; all can be used as starting points for discussion, to support an existing character education program, or as the basis for an independent program. An excellent tool for the classroom or the character-conscious home.
