They did at sometime in their life, but the paths that came along in their life cause them to lose it. Some were strong enough to fight back and somewhere not. I was one of the Blessed ones. I grew up a little barefoot country girl. At the age of 6 years I learned how to take care of my brother at 12 years my youngest brother. At the age of 18 I met the love of my life with two children and six months later we were married. I live in the small town of Garland North Carolina. I have one living child left with me for the rest of my journey. But I don t have to worry where my other four children are because I know they are in heaven waiting on me. Even with all the trials and pain I went through in my life, the Lord has molded me into something beautiful of his own.
