Xulon Press. Paperback. Book Condition: New. Paperback. 420 pages. Dimensions: 9.1in. x 7.5in. x 1.0in. Did Noah's Flood really occur, or is it a MYTH? Yes! God did really drown that world, except for Noah and a PART of his family. But why did God submerge that entire world? How really WICKED had that society become? Who were the main characters that led it to its doom? What kind of EVILS were they practicing? Gleaning information from ancient sources, Herman Saini provides detailed answers to these questions. He explains why pre-Flood history seemed lost, and restores much of that history. He tells the gripping, yet sobering history of the universe and man from the creation of Adam and Eve, and how their son Cain sold himself to work EVIL. His descendants followed in his footsteps and led the world to its doom. He draws vital lessons from that experience to enable men to avoid the same fate in a fast approaching great tribulation. HERMAN SAINI has been an accountant and business consultant for over 16 years. He has developed a model of economic development and international trade that nations can use as a guide to develop plans for economic growth. He holds a chemical engineering degree, a MBA, and has been a Ph. D. candidate in marketing, having completed three years of work towards the degree. He is also licensed as a Certified Public Accountant. He maintains two blogs, the purpose of which is to preach the gospel of the soon coming kingdom of God, in fulfillment of the prophecy in Matthew 24: 14. You can read his articles at www.thetruereligionreport.com, and his weekly messages at www.thetruereligionreport.com/blog1. He currently lives in Holiday, Florida. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN....
