Brand New Book ***** Print on Demand *****.Lock Harford, a teleporter who can move his body through a dark matter dimension using only the power of his mind, knows that the only way to release Britain from the grip of marauding teleporter criminals is to fight like with like. His employers want him to head up a team of enhanced-ability operatives whose special powers will be created by controlled procedures rather than substance abuse of the illegal drug Starbirth, but the dubious quality of candidates delays the process. In the meantime he is working flat out to protect his family and his country against dark threats emerging from the madness of Starbirth addiction, hindered by devastating treachery closer to home. Shadow Team GB is book four of the five-book Starbirth series but it can be read as a stand-alone novel as well.
