I got a better look at some of my fellow patients in this freak hole, and they all look pretty close to my age. They come up to the check-in desk to get pills. After they take them, the desk people look in their mouths to make sure they've swallowed. It's like something out of *The Twilight Zone*. Are they going to do that to me? Anna Bloom is depressed so depressed that her parents have committed her to a mental hospital with a bunch of other messed-up teens. Here, she meets a roommate with a secret (and a plastic baby), a doctor who focuses way too much on her weight, and a cute, shy boy who just might like her. But wait! Being trapped in a loony bin isn't supposed to be about making friends, losing weight, and having a crush, is it? This item ships from multiple locations.
