Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

GEORGE BERNARD SHAW: HIS PLAYS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from George Bernard Shaw: His Plays This is a little handbook for the reading tables of Americans interested enough in the drama of the day to have some curiosity regarding the plays of George Bernard Shaw, but too busy to give them careful personal study or to read the vast mass of reviews, magazine articles, letters to the editor, newspaper paragraphs and reports of debates that deal with them. Every habitual writer now before the public, from William Archer and James Huneker to Vox Populi and An Old Subscriber has had his say about Shaw. In the pages following there is no attempt to formulate a new theory of his purposes or a novel interpretation of his philosophies. Instead, the object of this modest book is to bring all of the Shaw commentators together upon the common ground of admitted fact, to exhibit the Shaw plays as dramas rather than as transcendental treatises, and to describe their plots, characters, and general plans simply and calmly, and without reading into them anything invisible to the naked eye. The order in which the plays are considered is not the chronological one, and some readers may think that it is not the logical one. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
