## Abstract Realism ~ A True Story

By Alexis Nichele

Alexis Nichele, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Abstract Realism is a book of true paranormal, telepathic, telekinetic, psychic and other-worldly experiences. The experiences are all mine and all true. I have compiled many strange and sometimes frightening experiences into this book as well as some of my art, photographs, poetry, social ideologies. I've titled this book Abstract Realism because the truth is stranger than fiction and although true, these experiences are so incredible they seem as if they are fiction. I once had an individual come into the store where I worked and telekinetically bend 2 candles. The book goes into detail about the 80 UFO craft that my friends and I saw over PCH in Malibu, CA. I orchestrated the meeting telepathically with my other worldly friends and sure enough they showed up. Another experience I speak of has to do with controlling the weather. There are credible witnesses. I wanted this book to be fun, enlightening as unique as its author.
