Brand New Book ***** Print on Demand *****.Excerpt from The Creation and the Scripture: The Revelation of God This volume was found, in manuscript, among the unpublished writings of G. E. Monell, M.D., of Omaha, who died suddenly September 29, 1881. For many years, in accordance with his early education, he gave an unquestioned adherence to the verbal inspiration of the Old and New Testament and to the doctrines of the orthodox churches, considering these essential to a belief in Christianity. Under the enlightened influence of modern discussion the foundations of his faith were shaken, and he examined the Scriptures diligently to ascertain what truth was. Gradually curtailing his medical practice, he extended his research into the fields of history, science and literature, and we here have the result, in part, of his labors. Instead of drifting into Atheism or Agnosticism, he became, with the exercise of the largest liberty, the firmest of believers in the sufficiency of Christ's life and precepts to give guidance and consolation in this life, and an unshaken hope in the future. This volume is published as a tribute to the memory of its author, with the hope that it may aid others in solving some of the problems of our existence.
