NCLEX-RN Questions Answers Made Incredibly Easy

By Susan A Lisko

Lippincott Williams and Wilkins, United States, 2016. Paperback. Book Condition: New. 7th. 273 x 211 mm. Language: English . Brand New Book. NCLEX-RN QUESTIONS ANSWERS MADE INCREDIBLY EASY!, 7th Edition is designed to help anyone preparing to take the RN licensing examination. Students and faculty also use the book as a study guide and practice tests for preparing for faculty-made examinations. The book is divided into seven parts. Part I explains the basics of NCLEX test construction and gives ideas to students about how they should prepare. Parts II to V are designed to support the four major content areas of pre-licensure programs: medical-surgical, psychiatric/mental health, maternity, and pediatrics. Each of these sections contains multiple questions and answers in a side-by-side format. Part VI, Issues in Nursing, emphasizes content areas that do not easily fall in any of the other sections: management/leadership and ethical/legal issues. Part VII consists of three Comprehensive Tests of varying lengths from 75 questions (the minimum number of items any student taking the NCLEX RN will receive) to 265 questions (the maximum number of items any student taking the NCLEX RN will receive). Throughout the book, the Made Incredibly Easy design, art, and captions help to...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
