

My Counting Book: 123 Picture Book for Toddlers

By J Adam

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. My Counting Book - 123 Picture Book For Toddlers was a fun labor of love for me. As a children's book author I really enjoyed creating this Kindle numbers learning book and I hope it will be the first of many. My Counting Book grew out of a desire to create the types of learning about numbers children's books that can be enjoyed by both parents and children together. The result is this children's number learning adventure book. I want to encourage parents to read to their children and to develop ways for their child understanding numbers. Studies have shown that reading to children is an invaluable activity that will help children to build literacy skills and doing number activities can teach them counting. You will be helping your children to develop a love of reading and teaching children numbers too. Some Examples Of Rhymes From This Children's Number Book: Look in the grass. What do you see? Nothing? That's not what I thought it would be. But that's what the number zero does....
