James and Carson havent seen each since James fled their power games two years ago. Back in his undergrad days, Carson was his Professor, and not just in the academic sense: a man of unusual tastes and extreme sexual demands, James had been happy to sate Carsons savage appetites. Too happy, in fact. He never could trust himself not to let Carson push too far. Now James is older and wiser, and sharing some seriously flirtatious vibes with a cute menswear rep. When Carson replies to Jamess errant text, ready to pick up where they left off, James cant help being drawn back into Carsons control. Its only when Carson suggests involving the salesman that James has to ask himself how far is too far, and whether hes willing to go there with Carson again. This item ships from multiple locations.
