It is singular that legislation was so long delayed in England, in view of the invitation extended by Magna Carta to foreign merchants to come into England, to tarry in, and go through England ; possibly, however, the prerogative right of the Sovereign to grant to such as desired to tarry for good and all letters of denization, was considered sufficient. Yet so uncertain and variable is the expression of the will of Parliament, that in 1740 a general Act was passed (13 George II., c. 7) in order to naturalize such foreign protestants, and others therein mentioned, as are settled, or shall settle, in any of His Majesty s Colonies in America. The preamble is interesting, because it shows that the means of populating a new country which tradition ascribes to Romulus was actually adopted by England for increasing the population of the Colonies. It explains the existence of the early Jamaican law just referred to. Here is the preamble: it might have been written by Romulus himself: Whereas the increase of the people is the means of advancing the wealth and strength of any nation or country; and whereas many foreigners and strangers from the lenity of our Government, the purity of our religion, the benefit of our laws, the advantages of our trade, and the security Of our property, might be induced to come and settle in some of His M s Colonies in America, if they were...
