But on television it was a different story. There, Evan Taggart came off as handsome. Confident. Single. A state the reality show played up a little more than producer Leandra Clay planned. All too soon women with the same thought in mind--marriage!--started invading their small town in droves. So now it was payback time. Evan s ultimatum to Leandra--masquerade as his fiancée or he was walking (and her career in television was toast). The choice seemed easy at the time.
