

The Last Landscape

By William H. Whyte, Tony Hiss

University of Pennsylvania Press. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., The Last Landscape, William H. Whyte, Tony Hiss, The Last Landscape William H. Whyte. Foreword by Tony Hiss "When it was first published, The Last Landscape was radical stuff. As much as Silent Spring challenged American science to recognize its long-term responsibilities, Whyte's book asked communities, the government, and the design profession to do the same. Four decades later, this book is just as timely, the only difference is that the logic is now mainstream and the evidence is overwhelming."--Paco Underhill, author of Why We Buy "An excellent book."--Jane Jacobs "A practical handbook for all who care enough to fight for a more liveable environment."--Washington Post The remaining corner of an old farm, unclaimed by developers. The brook squeezed between housing plans. Abandoned railroad lines. The stand of woods along an expanded highway. These are the outposts of what was once a larger pattern of forests and farms, the "last landscape." According to William H. Whyte, the place to work out the problems of our metropolitan areas is within those areas, not outside them. The age of unchecked expansion without consequence is over, but where there is...

Reviews

Merely no words to explain. I really could comprehend everything out of this published e ebook. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
