It is a time when Samurai warriors raid each others' territories whenever they sense weakness or advantage. Men and women driven from areas of conflict have begun to eke out their livings in even the most remote forests where the gods of old still rule the land. A full-blown war has erupted in the forest surrounding the iron town of Tatara. An elder forest god by the name of Lord Okkoto has arrived and is leading an attack against the humans with his tribe of militant boars.
