Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

MESTAS EDICIONES, España, 2015. Encuadernación de tapa blanda. Book Condition: Nuevo. 19x12cm. 160 pp. La obra que nos disponemos a leer es un terreno lleno de novedades para la época. No se trata solo de la elección de temas nuevos sino también de nuevas perspectivas. Como ya se ha dicho, Maquiavelo es el primero en hablar de cómo conseguir el poder, sin entrar en valoraciones morales sobre los métodos usados para hacerlo ni en juicio sobre lo que conviene o no conviene hacer con el mismo una vez se obtiene. Una suerte de manual práctico y concreto revestido de un cierto carácter confidencial con el lector. Asimismo es el primero en ver la virtud desde el lado pragmático y de definir como virtuoso a aquél que al proponerse una cosa, valiéndose de los recursos que le sean necesarios, es capaz de conseguirla y no desde el punto de vista moral del que es capaz de llevar a cabo buenas acciones apartarse del mal. Quizá ese tono sincero es lo que nos sigue cautivando da modernidad a este libro. Mal que nos pese, el poder sigue siendo uno de los objetivos más codiciados por el hombre y el hombre sigue siendo capaz de cualquier cosa para detentar el poder.
