

New Testament Greek Intermediate: From Morphology to Translation

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Wipf Stock Publishers, United States, 2008. Paperback. Book Condition: New. Bilingual. 239 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: New Testament Greek Intermediate is the companion volume to New Testament Greek Primer. The Intermediate text reviews grammar, expands vocabulary, and exposes the student to more New Testament context. Grammar review intends to consolidate gains from the Primer, but deepens the discussion, adds more illustrative paradigms, and includes more syntax. Vocabulary acquisition expands the Primer's frequency base of 50 or more times down to a frequency of 15 or more times, including second aorist forms. This vocabulary acquisition is divided by frequency into seven vocabulary lists ready for seven vocabulary exams. The exercises have longer passages both to increase the student's translation stamina and to bring more contextualization to bear on the act of translation. In addition, the text includes informative illustrations and graphics, beautiful layout, full indexes, a glossary, charts, paradigms, and principal parts for even more usability. By the end of this text, the student is thoroughly prepared for Greek exegesis and advanced courses on Greek syntax. Endorsements: Gerald Stevens New Testament Greek Intermediate follows the time-honored deductive approach to learning second-year Koine Greek. In addition to reviewing morphology, Stevens introduces the student to second-year syntactical issues without overwhelming him with third-year, exegetical concepts. His explanations are exact with copious examples from the New Testament that underscore the concepts. The self-contained homework exercises from the New Testament eliminate the need for purchasing an additional workbook. Stevens intermediate grammar is a natural sequel to his Primer, also published by Cascade Books. For the professor looking for a true, intermediate Greek grammar, Stevens will not disappoint your expectations. --CRAIG PRICE Associate Professor of New Testament and Greek, and Associate Dean of Online...
