When she arrives in New York to meet the mage side of her family, the reunion takes the fun out of dysfunctional. On top of that, the Hekate Council wants to use her as a pawn in the brewing war against the vampires. And Sabina thought "vampires" were bloodthirsty.

## Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
